The Free Table

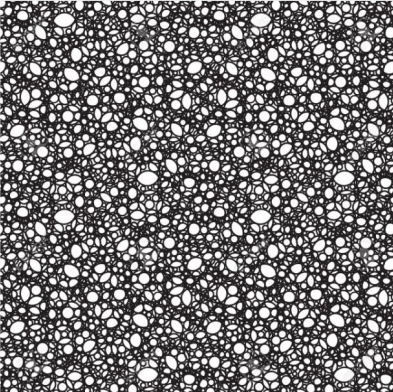

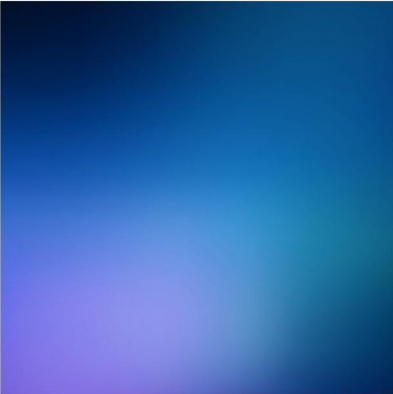

The Free Table

(drag and drop onto table)

The image shows a web browser window titled "The Free Table" with the URL "172.27.140.143:8000". The browser's address bar and tab are visible. The page content includes the title "The Free Table", a simple table icon, and the instruction "(drag and drop onto table)". Below the instruction are two large square images: a vertical color gradient from purple to blue, and a black and white pattern of irregular, interconnected shapes resembling a cellular or porous structure. The browser's tab bar shows several open tabs, including "Spring 2018, Interact..", "laurenchun/interactive", "Edit fiddle - JSFiddle", "Lauren's class website", "Laurel's class website", "Dropbox Paper", and "laurelschwulst/intera...".

The browser window displays an interactive table with three image slots. The first slot contains a photograph of a man in a blue and white striped sweater sitting on a red train seat, looking out the window. The second slot contains a dense, black and white fractal-like pattern of small circles. The third slot contains a photograph of a black cat with green eyes, sitting and looking at the camera.
